

MIRRO WALL

INSTALLATION INSTRUCTIONS | JANUARY 2021

DIMENSIONS

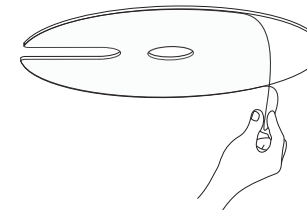

1.0 EXTENDED

MOUNTING INSTRUCTION

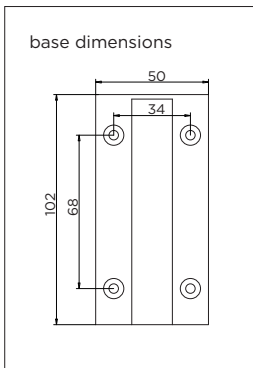

- 1 Mount the luminaire on the wall with the screws (screws are included).
- 2 Unscrew the lower ring of the luminaire body and put the mirror plate on. Screw the lower ring back on.

Note:

1. there is a protective foil on the mirror plate, please remove before mounting.
2. rubber ring must be removed and be mounted to the visible side of the mirror plate to avoid scratches when turning the lower ring.

- 3 Install a bulb (bulb is not included).
