RF04322

BJB E27 LAMP HOLDER

Fig.5

Insert a thin pin (C) or any other similar object inside the terminals (D) of the wire connections. Press down inside the terminals (D) with the pin (C) and then free the wires from the lamp holder.

Fig.6

Remove the lamp holder (E) that needs to be replaced, from the cap (F) and from the lamp holder assembly support (G).

Assemble now the new spare-part:

Insert the new lamp holder (E) inside the cap (F) and lamp holder support (G).

REMARK!!! Ensure that the terminals of the lamp holder correspond with the holes present on the cap.

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.
