GLASS DIFFUSER ASSEMBLY

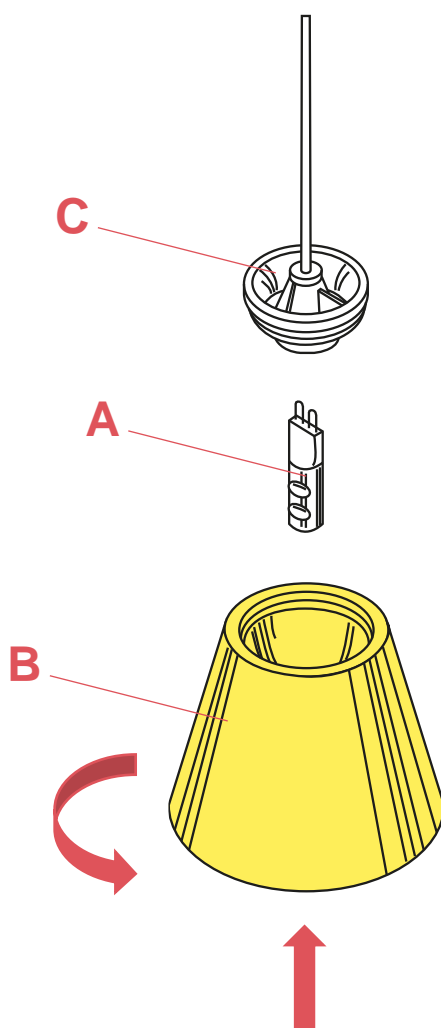

Fig.1

Fasten on the diffuser (A) onto the support (C) without forcing it.

REMARKS!!! Slightly loosen the diffuser (A) when it has reached the full extent of the screw thread. This will ensure that future removal will be easier.

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off.
For the installation of the spare-part, it is necessary to consult a qualified electrician.
